TO THE CLASS OF 1986

As I said to you during the first days of the school year, you, the Class of 1986, and I have a lot in common. We both arrived on the scene at Peabody Veterans Memorial High School in September of 1983 as the "new kids on the block." We didn't know our way around; we didn't know what to expect; and we had to spend some time looking before we could begin learning for ourselves. Other classes will arrive in the future but we went through that process together. For that reason you will always be a class I will remember more than most; but, additionally, you will be remembered for the qualities that you possess and have displayed. I expect you will continue to grow and mature and that those qualities will be more evident as time passes. I will look forward to hearing about them and to seeing you, in time, take your places in the community.

Congratulations on your accomplishments. Good luck in the future. Thanks for the three very good years.

Sincerely,

Charles J. McCarthy, Jr.

Class Of 1986

Dear Fellow Members of the Class of 1986.

Life is forever changing, sometimes for the better, sometimes for the worse. Throughout our years in the Peabody school system, we have seen changes occur and know of others planned for the future, such as the transfer of the 7th grade from the Junair High School to the Elementary School, the addition of the 9th grade to the high school, and the development of a Middle School to house 6th, 7th, and 8th grades. Somehow, our class has avoided involvement in these experimental changes. Whether we have been fortunate or unfortunate in this, no one can tell. One thing is for certain. Change can not be and should not be avoided forever. The fact that ours has been the last class to be affected by the changes in Peabody's Education System is significant. In the future, every one of us can expect to encounter change and to have confront it. We must accept it and learn to deal with it.

While in the future, change will be prevalent in our lives, the things that will never change are the memories of our high school years. These will always remain for us to look back upon and to cherish.

FOOTBALL

The football team accomplished three major goals this year while posting a 6-4 record and showing vast improvement from last year's team.

Although many significant injuries could have wiped them out for the season, the Tanners overcome the odds and survived to beat Salem for the first time in five years, claimed a tie for the GBL title with Medford, and posted a Thanksgiving Day win against Saugus.

Brian Hughes, Dave Mass, Joe Berrencaurt, and John "Dusty" Saunders were named to the all-star team.

SOCCER

The 1985 boys soccer team, under coach James Nangle, provided a surprising and exciting season for the Tanner fans.

With their 6-9-3 record, they compiled more wins than the previous two years. Captains Justin LeBlanc and Maria Alves provided leadership through example and experience on the field.

Chris Vlachos kept the Tanners in many games with his goaltending. George Petradelis, a junior, led the Tanners in scoring.

This year's team, a young team, will be building towards the future with many starters returning next year.

FIELD HOCKEY

After six starting varsity players graduated, coach Lorraine Benoit worked with what she had and looked towards the future.

Two year starter and co-captain Parri Rougier, a GBL all-star, led the team with her aggressive style of play. Co-captain Michelle Tremblay, Pam Berube and Diane Trainor led the offense while Donna Gapski guarded the net. Kelly McGovern sparked the defense.

Their 1-7-7 season was highlighted by ties to GBL champion Arlington and cross-town rival Bishop Fenwick.

The team's only losses came against league powers Revere and Arlington. Four of the five wins were by shutout.

Although placing fourth in the league during the regular season, the Tanners claimed third place in the Greater Boston League meet.

After a 1-3 start, Phil Sheridan trained some new runners. This recruiting paid off as his team captured wins in the last three meets.

Although possessing no all-stars, Carhy Petripas was the leading freshman in the GBL.

SOCCER

The girls soccer team, featuring eleven returning varsity players, rolled to a 10-4-3 season and claimed a spot in this year's Division I state tournament.

This year's team, captained by seniors Marie Burke and Christine Calandra, was marked by a renacious defense and good goaltending. Explosive offensive spurts also surprised opponents. The offense was spread among many players; it was not unusual to have five or six players figure in the scoring. Sue Burns was the leading scorer for the Tanners.

In the state tournament, Peabody faced heavily favored Concord-Carlisle. The Tanners played well but finally succumbed 1-0 for their fourth loss of the season.

It was a very successful season for Bob Simons' Tanner team.

In a year in which Arlington and Medford claimed the GBL crown as well as make a strong run for the Division 1 state title, Peabody claimed a fourth place GBL finish.

After a 2-3-2 non-league start, the Tonners hoped to improve in the GBL. Peabody played consistently in the league and earned a 5-6-1 mark.

Senior goaltender Lance Giroux had a spectacular season. Offensively, Mike Velez, Ted Strunton, Don Scorpo, and Tom Costo hooked up for many of the goals.

The Peabody High hoopsters posted an 8-12 record for a season that was marked by close games and rotating players.

After a 1-3 non-league start, which included a visit to defending state champion Brackton, the Tanners split their games in the annual Christmas tournament, winning against Beverly but losing to Catholic entry St. John's Prep Eagles. A loss to Brookline dropped their non-league record to 1-5 before GBL play.

They played even in the GBL, escaping with a 7-7 record. Many close games, sometimes determined at the buzzer, characterized the GBL season.

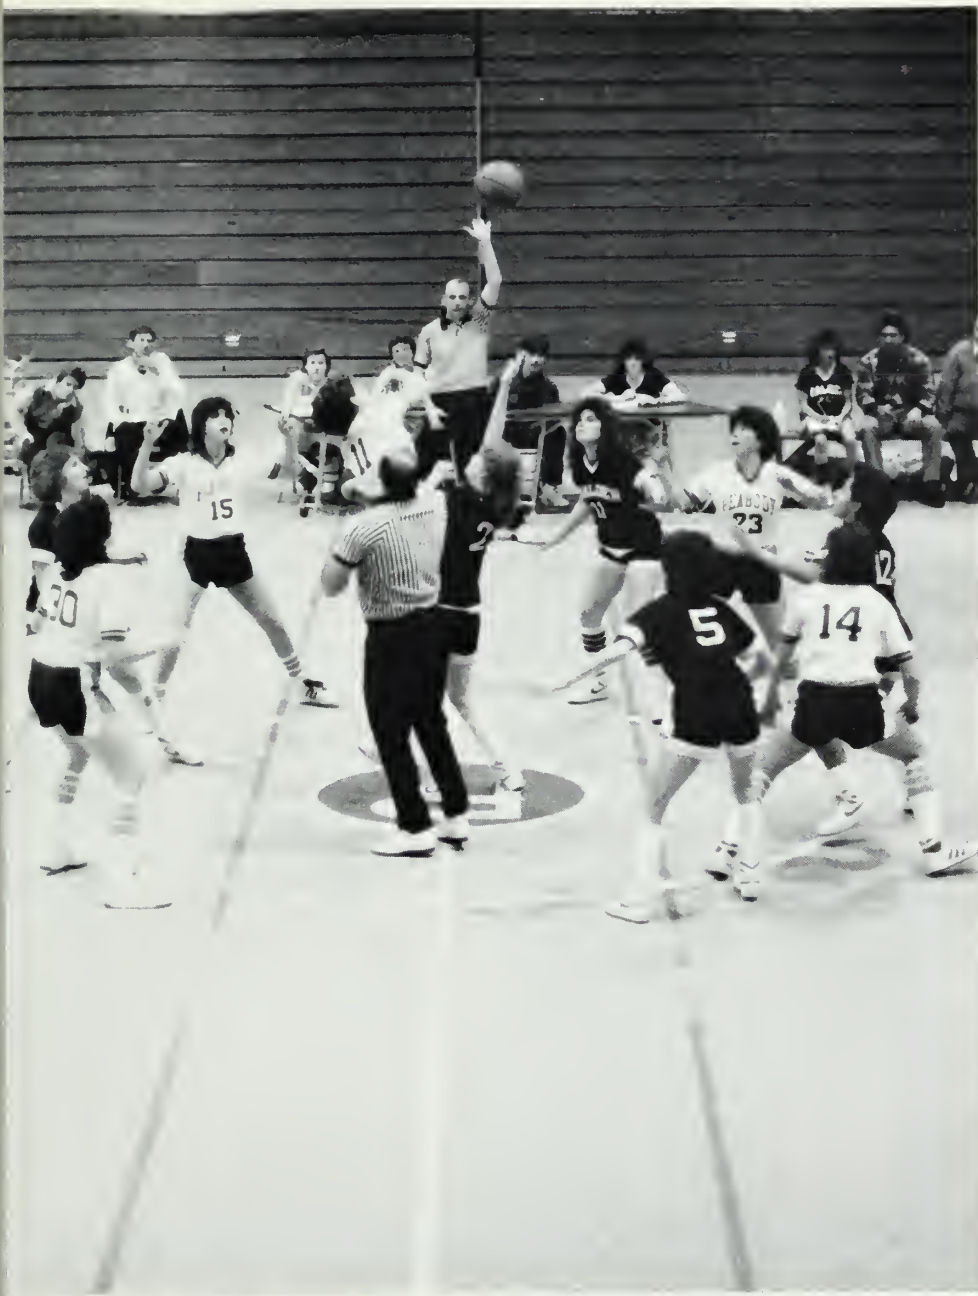

Peabody was led by junior Chris Braughton who was the only consistent scorer on the team. Ken Hadgdon, Brian Callela, Sean Majur, Gary Bua, and Mark Fairbanks each played well at different times during the season.

Tri-Copains Marie Burke, Nancy Weisman, and Noralie Lioiocono provided the nucleus of the team along with junior guard Kelly McGovern and sophomore Julie Goodwin.

Peabody went undefeated against GBL opponents. Kristin Chaput, Charlene Sweezey, and Michelle Pathier gained most of the Tanner points in various events.

With an abundance of freshmen on the team, Peabody will be looking for an even better season next year.

You've made McDonald's more than just another place to eat. And that's why, at McDonald's, we say...

META STAFF

We at Peabody High School are privileged
to dedicate META '86 to

Mr. William Gradzewicz

Employed in Peabody Public Schools for 20 years
Teacher at Peabody High since September, 1982
Teacher of Geometry and Algebra 2

We dedicate this yearbook to Mr. William Gradzewicz, an individual whom the school administration, faculty, and student body greatly admire and respect. His hard work as a teacher, as a person involved with school activities and as a caring human being has benefitted anyone who has ever had the pleasure of working with him.

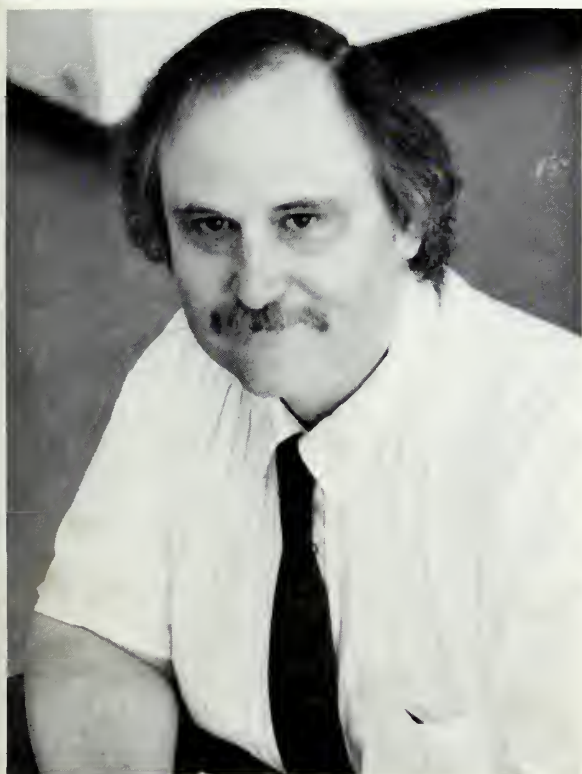

Aside from providing a wealth of knowledge in his math courses, Mr. Gradzewicz provides his students with a calm atmosphere for learning because of his endless patience and modesty.

Though his tenure at Peabody High School has spanned only four years, he has made many positive contributions on the school. Being an avid sports fan, he has found time to cheer Peabody's sports teams in the field house and occasionally on the road. He also has attended many class functions, which shows his genuine interest in school activities and the students.

While showing a keen interest in his students' academic work by sometimes staying extra hours or teaching pupils with specific problems on a one-to-one basis, he has also taken a stand against a major local and national problem involving teenagers: drunk driving. He stirred up interest against drunk driving when he was advisor of SADD, *Students Against Drunk Driving*, which had 8 active members last year.

Most importantly, Mr. Gradzewicz has provided a standard of fairness, dedication, patience and modesty that we, as students, can emulate.

He is truly an inspiration to the students and city of Peabody; therefore, we, the Class of 1986, proudly honor him as an outstanding person and professional.
